# Money Spinner

1. Partner A spins the spinner and records the value in the chart. Spin a total of 3 times and add to get the total value of your coins.
2. Partner B spins 3 times, records each value and then counts the total value.
3. The partner with the highest total value wins a point for that round.

Money Spinner

1. Partner A spins the spinner and records the value in the chart. Spin a total of 3 times and add to get the total value of your coins.
2. Partner B spins 3 times, records each value and then counts the total value.
3. The partner with the highest total value wins a point for that round.

Partner A:			

Partner A:

_____

SPIN #1	SPIN #2	SPIN #3	TOTAL

Partner B:

_____

SPIN #1	SPIN #2	SPIN #3	TOTAL

And the winner is... _____
